

WORLD OF RADIO #1082, produced May 30, 2001 by Glenn Hauser

- *Remember our new 2nd broadcast on WBCQ-2, UT Thu 0400 on 9330-CUSB
- *RFPI alternates SSB and AM on 7445 [back to USB mostly lately]
- *WWCR: we finally are on 9475 ex-3215 UT Mon at 0000; last week the following emission was at 0530 instead of 0500 on 3215; mistake?
- *Long-range MW reception at midday in Hawaii, Bermuda, propagation mode not understood, 'daytime long-range bending'
- *Christian Vision, Australia schedule shows same frequency as Chile
- *KHBN, Palau, has new callsign T8BZ, from Babeldaob
- *R. Western, PNG, heard in Alaska; PNG bandscan in DXLD 1-080
- *R. Central, PNG, has been inactive
- *Kalimantan RRI stations heard in Alaska: Pontianak, Palangkaraya
- *Troops guarding Jakarta TV stations; government may fall. 2-way frequencies to monitor, and RRI Jakarta
- *R. Taipei International's new program grid pattern; see DXLD 1-069; new English transmissions, and frequency changes
- *V. of Khmer Krom Radio, new clandestine on Fridays, but not heard last week
- *R. Tashkent, Uzbekistan, puts two third harmonics on 15 MHz
- *V. of Mesopotamia, new clandestine for Kurdistan
- *V. of the People, R. Mogadishu, Somalia
- *R. Galkaacyo, Somalia, barely heard in Alaska
- *Central African Republic failed coup attempt disrupts broadcasts
- *Via AM, FM, USB, SW, MW, satellite, internet, subcarrier at least, WOR 1082, wghauser@hotmail.com or P O Box 1684, Enid OK 73702 USA.
<http://www.angelfire.com/ok/worldofradio/> including DX Listening Digest
- *Morocco heard on 7 MHz and 14 MHz harmonic, jammer vs Polisario
- *R. UNAMSIL, Sierra Leone, scheduled on 6 MHz band, but ever reported by DXers? P O Box 5, Freetown
- *Sierra Leone Broadcasting Service schedule, SW portion
- *Spain phasing out all VHF TV, moving to UHF; what's going where:
<http://www.isesatv.com/migrar.htm>
- *US relay station at Playa de Pals, Spain, abruptly closed down May 25; most transmissions moved to other sites. To be demolished for tourist industry on beach
- *Mayak starting a 24h all-news channel, Chas Novostiy
- *New rebel broadcast in Chechnya, R. Kavkaz on 7 MHz
- *Eurosonor Radio moving from 6 to 9 MHz; not denied by Bulgarians
- *Scandinavian Weekend Radio's monthly broadcast this Saturday; has three new 49m band channels authorized along with 25m. See
<http://www.swradio.net>
- *BBC WS cancellation of World Service on SW to NAm; check all the latest issues of DXLD; and links such as:
